July 2019 Update

Dear Parent

As this Summer Term draws to a close we would like to say thank you to everyone who took the time to take part in our Section 10 Public Consultation and Questionnaire.

We have submitted our report to the Department for Education and are pleased to be able to share it with you (copy attached with this newsletter).

Planning Phase

We recently held a planning meeting with the Department for Education and Midas, to prepare for the refurbishment and opening of our new school in September 2020.

No building works will be visible for a while as we are currently going through the rounds of planning and building regulations.

We will be holding a consultation for the community on planning on Wednesday 14th August 2019 at Paignton Parish Church, 3 - 7pm. We hope you will be able to pop in to see the exciting plans for St Michael's

As a regionally-based business, Midas is proud to be working with the Learning Academy Partnership, St Michael's C of E Academy and the DfE to bring a new lease of life to this impressive site and create a facility which will deliver significant benefits for future pupils, staff and the community. We look forward to working with the school and project team over the coming months to refine the details of the project, and to the start of the exciting construction phase expected in early 2020.
DEREK QUINN, EXECUTIVE DIRECTOR, MIDAS CONSTRUCTION
