

St Michael's Church of England Academy

NEWSLETTER

March 2019 Update

Dear Parent

Thank you once again for expressing an interest in a reception or nursery place at St Michael's Church of England Academy for September 2020.

Dates for your Diary

As part of the process of opening a new school, we are holding a public consultation to allow parents/carers and the local community the opportunity to learn more and share their views.

Join us at Paignton Parish Church on **Thursday 2nd May (6 - 7.30pm)** and **Friday 3rd May (1 - 2.30pm)**.

Our aim is to open St Michael's in September 2020 in order to meet the needs of the shortage of primary places in the local community.

St Michael's will build on the success of the Learning Academy Partnership's current schools, achieving academic excellence within a caring and inspirational curriculum. As a Church of England school, St Michael's will also be part of the wider diocesan family of schools, set within a distinctively Christian context, inclusive of children of all faiths and of none.

Working in Partnership

We are excited about working in close partnership with our community, and we passionately believe that every child should be taught by expert, high quality teachers in an inspirational school that always puts children first.

We see ourselves as a family who, with our parents, parish and wider community, will work together to ensure the very best for each and every child. In doing this, we strive to enable all children to achieve their potential in all areas of their learning – intellectual, emotional, physical, social, moral, spiritual and cultural – through our engaging and aspirational curriculum.

Latest Updates

Please keep an eye on our website for the latest updates <http://stmichaels-lap.co.uk> or you can follow our progress on [Twitter](#) and [Facebook](#)!

We hope you are able to attend one of our consultation events and look forward to seeing you there!
