October 2019 Update

Dear Parents

Thank you to everyone who attended our Planning Consultation. It was lovely to meet more families and to share with you the vision for our new school.

As you are aware, the application round for Reception places officially **opens on 1st November 2019 and runs until 15th January 2020.**

Please Note: As St Michael's is a new school the process for applying is slightly different in the first year.

The Application Process

Because our school is new, there is a separate application process for this year only. If you would like your child to be considered for a place at St Michael's, you will need to complete our application form - this will be available on our website from 1st November <https://stmichaels-lap.co.uk/admissions/>.

You should also complete the council's Common Application Form <https://www.torbay.gov.uk/primary-place-2020/> where you can give three other school preferences.

Please also complete the supplementary form <https://www.torbay.gov.uk/media/13247/primary-supplement-2020-21.docx> to tell the Local Authority where your application for St Michael's fits with your other preferences. We will work with the Local Authority to ensure that your child is offered the highest possible preference school. However, because the timing of the admission process for St Michael's may not fit exactly with the normal admission process, the Local Authority may have to offer you a place at both St Michael's and at another preferred school and then check with you to see which place you want.

St Michael's artistic impressions

Open Morning

On 11th December 2019 we will be holding an open morning at one of our partner schools, Warberry C of E Academy in Torquay. This will be an opportunity for you to meet members of our staff and to find out more about our vision for the school. We will let you know nearer to time how to book your place and we hope to see you all there!

As always, we will keep you updated via our website <http://stmichaels-lap.co.uk> or you can follow our progress on [Twitter](#) and [Facebook](#)!
