DFE PERFORMANCE TABLES 2018 AND 2019

11th May 2021

Dear Parents and Carers,

I hope you are well and beginning to enjoy the relaxation of some of the COVID related restrictions.

Thank you for taking the time to express an interest in St Michael's Church of England Academy Nursery. We are delighted that you have chosen St Michael's Nursery for your child and therefore wanted to update you on the process for securing a place with us.

We continue to work hard to ensure that St Michael's will be an excellent school for the children of Paignton, with outstanding facilities and opportunities. Before we can confirm whether your child will have a nursery place, we will need you to complete an application form which asks for details of what sessions you would like your child to attend from September. The form can be found [here](#). **Please can you complete the form by Friday 21st May**. I have also included the Childcare Choices leaflet for your information.

We have recently confirmed with the Department for Education that despite the extensive work currently being undertaken across the school site, we will have secure classrooms on site, which will be ready for the children to begin in September.

This space will be a temporary location on the school site, adjacent to the main school building in the Language School, which is on the school premises. This will mean we are able to acclimatise the children to their environment in the first term, and then will transfer over to the main building once works are fully completed.

However, this means that we have limited capacity for the nursery until the Spring term, when the full school site will be open.

We will be in touch in due course to confirm whether we will be able to accommodate your child in the St Michael's Church of England Nursery. When a place has been confirmed we will arrange for a 1 to 1 meeting and take you through the transition process for September. As the founding co-hort of St Michael's and our very first Nursery children we will be providing a Nursery sweatshirt free of charge.

If you have any questions about nursery places, or anything else, please do not hesitate to contact us at stmichaels@lapsw.org and we will be happy to arrange a time for us to speak.

Thank you for your support of St Michael's Church of England Academy, and we look forward to working in partnership with you to support your child as they start their educational journey.

Yours sincerely
Mrs Julie Edwards
