Dear Parents and Carers

I am very much looking forward to seeing you all at 5pm on Monday at our first Zoom Welcome Meeting.

This will be the first time we will come together as a Reception Class and it is an exciting time as we become the very first class and founding cohort of St Michael's C of E Academy!

I am thrilled to not only be your child's Head Teacher but also their class teacher and I am looking forward to sharing the journey with you as we move through the next 7 years together in this wonderful brand new school.

The welcome meeting is an opportunity for you to meet myself and Mrs May, our Senior Administrator, and find out more about starting school and all the information you need. We will follow this up with a one to one meeting so that I can find out more about your child and it is another opportunity to answer any questions you may have.

I was at St Michael's this week and was able to see the huge project that transforming this beautiful listed building into a state of the art school really is. I was also able to look around the classrooms we will be using in the next door Language School in September and I am excited about transforming them into early years classrooms with all our fabulous new furniture and resources. Mrs May and I have been having lots of fun choosing all the new play equipment!

We have our own entrance and corridor which is completely self-contained. We will be able to watch the building work from our outdoor play area (there are some brilliant diggers and cranes for us to see) and encourage the builders to keep going with our new school building so we can get in there as soon as possible!

Our Catering Manager, Mrs Keiller, joined me on site and she will be providing delicious meals for us daily - I can tell you more about this and the snacks that we will provide at our welcome meeting.

I look forward to meeting you on Monday - please do get in touch if you have any questions at stmichaels@lapsw.org

Yours sincerely

Mrs J Edwards
