### HOME LEARNING

This week we have been reading stories by Mrs Edwards' favourite author Jez Alborough. She loves the illustrations and we were so happy that by the third book in the series the bear and Eddy had become friends!

Do you have any books by the same author at your house?

We have sent home a library book for you to read to your child. They can bring this back on Friday which will be our day to do our library exchange!

Dear Parents / Carers

Wow - they did it!

The children have had a wonderful first week settling into our lovely new school. We have so enjoyed getting to know them and you. We are so proud of the children and the way they have started school so beautifully, leaving grown-ups at the door is such a big thing for small children and they have done so wonderfully well. Thank you all for your support with this.

This week we have been learning our class routines and exploring everything in our setting. We will be dedicating the next few weeks to really getting to know the children and their families both through play and some small circle times. To support this, if you can, we would really love to share photos of the children and their families/pets in class. If you have any photos you are happy to send in we would love to see them!

We are so happy to finally see you all at the gate in person! We are doing everything we can to welcome the children and yourselves to St Michaels. If you have any questions at all please don't hesitate to ask, we are always happy to help.

Have a wonderful weekend.

Mrs Edwards and Mrs Grant

### Star of the Week

Each week we will celebrate one child's special achievements. This week we would like to celebrate all the children for taking their first steps on their school journey. We are so proud of them all!

### Important

**Please remember to name all of your child's belongings and for your child to have a water bottle in school.**

Thank you
