

'The Future we Create Everyday'

St Michael's Weekly Newsletter

Friday 22nd October 2021

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

For home learning this week we would like you all to have a well earned rest and spend time doing the things you enjoy!

We would love to see and hear about the things you enjoy doing outside of school or any exciting events so please do upload a photo that we can talk to the children about when we come back to school on the 1st Novemb

Reception children have their sounds to play with and show off which sounds they have learnt so far!

Dear Parents & Carers

Our story this week has been the traditional tale of 'The Three Little Pigs'. The children have enjoyed sharing this well known story and retelling it together through role play and story mapping. The children have been building and designing houses that the wolf couldn't blow down! Some great design ideas and some budding architects - we even spent time watching the builders next door this week for some handy hints!

In Phonics this week we have been making words with the sounds that we know and reading words that we have made e.g. m-a-t / s-a-d / p-i-n Reception children can have a try at this with the cards we are sending home today.

We both wanted to say a huge thank you to the children for making our first half term at school so special. All the children have settled so well and we feel privileged to be their teachers. We couldn't do this without the parent partnership that we value so much and so also want to thank you for your continued support.

Have a wonderful half term break and we look forward to starting the second half of the Autumn Term on Monday 1st November.

Mrs Edwards and Mrs Grant

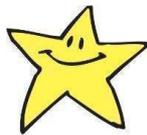

Our Vision & Values

Next half term we will explore our value of 'Community' and think about our school and our local community.

'We're better together than we are alone' Romans 12:4-5

Star of the Week

This week we celebrate
Brendon

Brendon has grown so much in confidence this half term and comes into school with a big smile, chatting to his friends. He works so hard and is the first to say the sounds in his RWI group! Well done Brendon, an amazing start to school!

Important

We have school photographs being taken on the first Monday back after half term - 1st November. Please ensure full uniform and let us know if you would like photos taken with siblings

Together we empower excellence
