

# 'The Future we Create Everyday'

## St Michael's Weekly Newsletter

Friday 15th October 2021

ST MICHAEL'S  
CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

Thank you for all your wonderful nature numbers last week. They were amazing and have been added to our number display in class!

For home learning this week to support our Maths learning we would like you to become number detectives! With your keen sense of sight what numbers can you spot when you are out and about?

What numbers can you spot in your home?

We look forward to seeing your discoveries on Tapestry!

Dear Parents & Carers

Our story this week has been the traditional tale of Goldilocks and the Three Bears. The children have enjoyed sharing this well known story and retelling it together through role play and story mapping. In class we discussed whether we thought that Goldilocks made the right choice by entering the Three Bears house. We discussed what we might have done if we were the bears returning to find our food eaten, chairs broken and a stranger sleeping in our bed!!

In Phonics this week Fred the Frog has continued to challenge our blending skills. This week he challenged us to blend in a game of eye spy! We are all getting very good at beating Fred's blending challenges.

**The sounds we have learnt this week are: f / e / l / h**

**We have all been working hard writing our new sounds using the Read Write inc rhymes in different media this week. We have explored writing with chalk, water and even oats!**

In maths this week we have continued our learning around comparing quantities using the language of more, less, fewer and greater to describe and compare amounts. This week we challenged ourselves to match a quantity to the correct number.

Finally, we thank you for your continued support and look forward to seeing you all at parents evening next week.

Mrs Edwards and Mrs Grant

### our vision & values

We have been thinking about our value of 'Love' and what this feeling feels like. We used the Colour Monster to help us.

### Star of the Week

This week we celebrate **Beatrix**

This week Beatrix has really been showing our school value of love. We have all been so pleased to see Bea offering a kind word and caring hug to others when needed.

Thank you Bea for being such a wonderfully kind member of our school community.

### Important

**We have school photographs being taken on the first Monday back after half term - 1st November. Please ensure full uniform and let us know if you would like photos taken with siblings**

Together we empower excellence
