HOME LEARNING

Next week for fantastical tales we will be focussing on Pirates! If you have any pirate stories at home that you don't mind us borrowing it would be great to send them in so we can share with the class.

Maybe you could start to find out a bit more about pirates at home. We will be making treasure maps and searching for treasure. Could you create your own map at home?

Dear Parents & Carers

This week we have continued our 'Superheroes and Fantastical Tales' focus with some more Supertato fun and painting portraits of ourselves as superheroes! We thought about the superpower we would have. Some children chose to fly, some to have super strength and lots said they had supersonic speed!

Maths this week has been all about the number 7. We looked at the 7 colours of the rainbow and made collections of seven objects; talking about how the amount remains the same even when we move them around (3+4 / 4+3 / 1+6 / 6+1 / 5+2 / 2+5 / 7+0 / 0+7)

Father Neil came into school to tell us the parable of the lost coin. The children listened so well and enjoyed the puppets Father Neil brought in to help retell the story.

We will be supporting Comic Relief next week by holding a **Cake Sale on Friday 18th March at 2.30** any donations of cakes will be gratefully received!

The children can wear their own clothes that day and either something red or crazy hair – or both!

Have a wonderful weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

This week we have been thinking about how we are all special and what our special talents are. We think that we all have a superpower to show love and care for those around us!

**Love ties us together
Colossians 3:14**

Star of the Week

This week we celebrate **Gabriel**

Gabriel always comes into school happy to start the day and works hard in all he does. A good friend and thoughtful, Gabriel shows our schools values every day. Well done Gabriel.

Important

Please could all parents return the parents evening confirmation form. Remember next Friday is Red Nose Day!
