HOME LEARNING

Thank you so much for your book recommendations this week.

Below are some of the books recommend by your friends:

Dear Parents & Carers

The end of another brilliantly busy week here at St Michael's.

We have continued to think about the people who help us by looking at the people who help us in our community. At the end of last week, we welcomed Father Neil into school; he talked to us about his role in the community and answered some of our questions about Church and charity.

We continued to think about charities by learning all about the volunteers in the RNLI. We shared a story about a family and their dog who needed help while they were at the beach. We learnt that the Lifeboat charity are the people to call if we need help by the sea. We watched a video of some of the crews saving animals in need and talked about just how brave the volunteers must be.

We then thought about other people who help us in the community. We looked at the role of both Firefighters and Police and this has inspired some wonderful role play – we think our emergency services are real life superheroes!

We hope you manage to enjoy some sunshine this weekend,

Mrs Edwards and Mrs Grant

Our Vision & Values

We have thought about our value of **community** and how we have people in our local community that even though they don't know us and will take care and help us when we need it.

How good and pleasant is it when God's people live together in unity. Psalm 133:1

Star of the Week

This week we celebrate

Darcey has shown real perseverance in Read Write Inc even when she found it tricky. Well done Darcey!

Important

Finally, we would like to say a very warm welcome to Tobias, Sebastian, Samuel and Elsie who have joined our nursery class in the last few weeks. We are excited that they have chosen to start their school journey with us.

Together we empower excellence
