

'The Future we Create Everyday'

St Michael's Weekly Newsletter

Friday 4th March 2022

HOME LEARNING

This week, to support our learning in school we would like you to go on a walk! While you are out in the sunshine (hopefully) what signs of Spring do you notice?

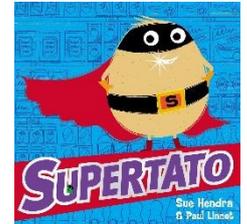

Are there new leaves/flowers growing?
Are there lambs in the fields?

Can you take pictures of what you notice and put them on Tapestry and we will share them in class next week.

Dear Parents & Carers

This week we have begun our new curriculum enhancement focus of 'Superheroes and Fantastical Tales', beginning with a story about everyone's favourite superhero – Supertato! A fun filled story about a rather special Superhero who fulfils his destiny as a supermarket superhero, defeating his nemesis 'The Evil Pea'. The children have enjoyed sharing this funny story, planning, and making their own traps to capture the Evil Pea. There have been some interesting creations and very original ideas.

In RE this week, we have begun to think about the new Spring season. We talked about how the world changes in the Springtime and what signs of Spring and new life we can see and hear.

Maths this week has been all about the number 6. We have made collections of six objects and talked about how the amount remains the same even when we move them around. We have used 10s frames to count different objects and explored the different ways we can make six. We noticed patterns in the number – 6 is 3 'lots of' 2.

Finally, thank you to all who joined our very first world book day 'Booknic'. It was lovely to finally be able to have you in school.

Have a wonderful, and hopefully sunny, weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

This week we have celebrated our school Christian vision and values with our governors in school. The children were able to talk about our values of Love and Community. One child commented 'We make people feel better with our love'.

Star of the Week

This week we celebrate **Samuel**

After joining us just a few short weeks ago, Samuel has quickly settled into school life and is a constant shining example of our school values. Well done Samuel!

Important

We would all like to say a massive CONGRATUALTIONS to Aruna on becoming a big sister during the half term holiday. What a lucky baby she is to have such a caring big sister to welcome her!
