HOME LEARNING

Next half term we will continue our theme of I wish I was... We will focus on: 'Superheroes and Fantastical Tales'

If you could be a superhero which superpower would you choose?

Perhaps you could draw a picture or make video of you pretending that you have that superpower! Would you have a superhero name?

Dear Parents & Carers

Wow! What a stormy end to the week!

As we have been thinking about helping others we read 'After the Storm' by Nick Butterworth (which seemed very apt considering storm Eunice was blowing outside!) The story is about Percy the Park Keeper and how he helps all the animals in the park when their tree house gets blown down by the storm. Percy is very kind and the animals can always rely on him to help them.

We have continued to think about the people who help us in our community; we talked about another emergency service, the ambulance service and the role of the paramedics. Yet again this inspired some super role play and we think that all our emergency services are real life super heroes.

Thinking of caring for others we also thought who we care for in our lives and we have captured the children's thoughts on Tapestry. They have brought home a symbol of our value of love – we hope you liked it!

We hope you have a wonderful half term, the children are ready for some rest and relaxation after a busy 7 weeks.

The second half of the Spring Term starts on Monday 28th February.

As always, thank you for your support

Our Vision & Values

We have thought about our value of Love and who we care for and about people that care for others. Love is more important than anything else- it is what ties everything together
