

# 'The Future we Create Everyday'

## St Michael's Weekly Newsletter

### Friday 18<sup>th</sup> March 2022

ST MICHAEL'S  
CHURCH OF ENGLAND ACADEMY

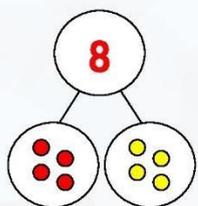

## HOME LEARNING

For home learning this week to support our learning in school, we would like you to make an Easter garden. This will also be next week's home learning too to give you time to plan and create your gardens!

Dear Parents & Carers

This week we have been sharing many exciting stories about Pirates! Thank you so much for sharing your brilliant pirate themed stories with us, we have all enjoyed sharing them together and sharing the things that we enjoyed about them – lots of them have made us laugh!

In maths this week we have been 'digging deeper' into the number 8. We have used a part, part whole model to explore the different combinations of numbers that make 8 in total.

In RE we have continued to think about the signs of Spring. The children have been thinking about all the different signs of new life that appear in Springtime. We watched a video of a little boy called Toby who explained how he prepares for Easter with his family. We LOVED seeing the tiny Easter garden he created in his church.

Finally, we are heading for our very first trip to the library next Tuesday. Please make sure the children all have a coat with them that is suitable for the weather on the day.

## Our Vision & Values

### Community

What a brilliant way to come together as our Trust **community** for Comic Relief. We joined with all our 10 schools for an assembly Thank you for your support with the cake sale and raising money to support our wider world **community**

## Star of the Week

This week we celebrate  
**Enya**

Enya is an absolute delight to have in school and even though she is one of our youngest children she is such a good friend. She is always happy and keen to get involved! Well done Enya.

### Important

Please can we ask that when the gate is open at the beginning and end of the day you **do not park in front of the entrance**. Having cars moving when children are coming in and out of school is a risk to the children. Thank you for keeping our school community safe.
