

# 'The Future we Create Everyday'

## St Michael's Weekly Newsletter

Friday 25<sup>th</sup> March 2022

ST MICHAEL'S  
CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

Home learning this week continues with creating an Easter garden to support our celebration of all things Spring and Easter! Please can we have these brought into school by the end of the week so we have time to really appreciate and display for all the children to enjoy before we break up for the Easter holidays.

Dear Parents & Carers

We have had such an exciting week with our first trip to the library and experiencing such glorious Spring weather! We have really made the most of our outdoor learning and spent lots of time outside. We have talked about the signs of Spring and this warmer weather is certainly our favourite sign!

The sunshine made our walk to the library very enjoyable and when we arrived we were welcomed by the librarians who read a story about a princess and then tested our knowledge on kings and queens with a fun quiz! This has started our focus on fantastical tales and Castles and Knights brilliantly. We were able to bring a library book back to enjoy in school using our class library card. We are looking forward to visiting again in a couple of weeks to exchange our books!

May we wish you all a wonderful Mother's Day and hope you enjoy the song the children have sung for their mummies that you will find on Tapestry. They have also made a lovely card that they brought home in their book bags.

Enjoy the sunshine this weekend

Mrs Edwards and Miss Grant

### Our Vision & Values

This week we loved celebrating our value of **Community**, visiting Paignton Library and being part of our local community. It is important to us to explore our local links and the welcome we received from the librarians was wonderful, we can't wait to return.

*'We're better together than we are alone'* Romans 12:4-5

### Star of the Week

This week we celebrate **Genesis**  
Genesis is such a big part of our school family and is really growing in confidence. It is wonderful to hear him talk in school. Well done Genesis!

### Important

Next week we will send home the school lunch menus for the Summer Term. As always could you please indicate your child's choices for us to collate ready for our return after the Easter holidays.  
Many thanks

Flourishing Futures
