### HOME LEARNING

After a lot of illness and stormy weather through the Spring Term we are looking forward to warmer days and the opportunity to get outside more often when we return for the Summer Term.

Getting outside and physical development is great for our bodies and minds and we would love to see how you keep active when you are not in school.

Maybe you play outside in your garden or at the park, maybe you ride a bike or a scooter or climb trees. Maybe you go to the beach and run on the sand and jump in the sea. Maybe you go to swimming or gymnastics or football or karate.

Upload a photo of you being active on Tapestry outside of school and we will put these together for a display to celebrate how active we are!

Dear Parents & Carers

It has been wonderful to talk to so many of you at our parent meetings this week. We had so much to celebrate as we come to the end of the Spring Term. The children have made so much progress and each child is such a valued member of our school family. It was lovely for us to hear how much your children love coming into school. We are always grateful for the support of our families and the school community we have created together.

We returned to Paignton Library on Tuesday where as well as returning and choosing library books we had a 'Knight's Training Class' inspired by our story the 'The Kiss that Missed'. This in turn inspired a lot of shield and sword making back in school! Thank you to the librarians for such a fun workshop.

We were lucky to have Mrs Keiller, our Trust catering lead come into school to make Easter biscuits with us. The children made a biscuit to bake and eat in school and decorated another to take home as an Easter gift – thank you Mrs Keiller for taking the time to share your baking expertise with us.

So many children have been affected by illness over this half term and we are wishing those of you who are still poorly a speedy recovery and hope that you are well again soon to enjoy a wonderful Easter holiday.

Mrs Edwards and Miss Grant

### Our Vision & Values

This week we have been celebrating God's **Love** and **love** for Jesus at Easter which is a very special time of the year for Christians.

*"For God so loved the world that he gave his one and only Son"*  
John 3:16

### Stars of the Week

This week we celebrate  
**All our children!**

You are all stars of the week and stars of the term! We are so proud of all your success.

*(Everywhere / Little Bear is spending the Easter Holidays with Mrs Grant and her children!)*

Important

We return to school after the holiday Easter Holiday on Monday 25<sup>th</sup> April
