

'The Future we Create Everyday'

St Michael's Weekly Newsletter

Friday 6th May 2022

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Thank you to those of you who shared photos on Tapestry of what you got up to over the bank holiday weekend.

The children loved looking at these as a class and it would be wonderful if all our children could have a photo to talk about.

Please share something you do this weekend (this can be anything at all) on Tapestry and we will use the pictures to share in class next week.

Dear Parents & Carers

What a beautiful week of weather we have had. We have made the most of our outdoor learning environment by spending a lot of our time outdoors. We have continued our focus on 'Let's Investigate...' and it has been exciting to see so many of our seeds and plants beginning to grow as we watered and looked after them.

The physical development has been wonderful with the opportunity to make and balance on a variety of obstacle courses. The children also enjoy playing games like 'Duck, duck, goose' with their friends in the sunshine.

We have been lucky to have a lot of visitors this week, including our Trust Lead Tracey Cleverly, our local councillor Christine Carter and Head Teachers from 4 of our Trust schools. All our visitors have been impressed with the independence and engagement of our children and the enabling learning environments.

Miss Cleverly tweeted that she had had the best afternoon at St Michael's saying "I just love talking to the children. They are such confident, happy learners who always have so much to share. Never fail to feel the buzz of learning because of the amazing team". We have been very proud to share the wonderful learning at St Michael's and thank you to our children for being brilliant!

We would like to say a warm welcome to our new Nursery children, Rosalie, Myles and Sharena and their families who joined our school this week. We are delighted to welcome you all to our school family.

Have a wonderful weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

This term we will be exploring our value of Wisdom and think about making wise choices.

We thought about how to care for the plants we had planted and the responsibility and choices we would need to make to ensure they flourish.

'Blessed are those who find Wisdom.' Proverb 3:13

Star of the Week

This week we celebrate **Reece**

Reece is now staying all day in Nursery and it is wonderful to see him growing in confidence and so happy playing with his friends. Well done Reece!

Important

Could children please **just bring** in a named drinks bottle and book bag into school rather than rucksacks as we are having trouble storing them. Spare clothes can be hung in a draw string bag for those who need them.

Flourishing Futures
