

# 'The Future we Create Everyday'

## St Michael's Weekly Newsletter

Friday 13th May 2022

ST MICHAEL'S  
CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

For home learning this week we would like you to make an 'odd' or 'even' picture.

This can be of anything at all and using anything you like (see example below). We can't wait to see your beautiful designs.

Dear Parents & Carers

This week we have introduced the children to our new 'Favourite Five' books for this term. These are a selection of beautiful, high quality books that we will share lots over the next few weeks to imbed their language and story structure. We are really looking forward to finding out what adventures are hidden in these pages.

This week we have been so excited to see the growth of our plants in both our garden and our beans inside. We have marvelled at the long, white roots and strong, green shoots that have come out of our tiny beans. We have started the delicate job of planting them into pots of soil to help them grow.

In Maths we have been learning about odd and even numbers. We have shared pictures and collections of 'groups of two' and 'groups of two with an odd one out' the children then used Numicon to explore even numbers 'flat tops' and odd number with an 'odd one'.

In RE this week we have started to think about special stories. Miss Grant shared a story that was very special to her. We talked about how stories/books can be special to us for different reasons. We looked at a very special book called the Bible and thought about the stories we had already shared together.

Have a wonderful weekend.

Mrs Edwards and Miss Grant

### Our Vision & Values

This week we have been thinking of our wider **community** as we talked about the upcoming jubilee celebrations and how we will come together as a school **community** of children and families to celebrate.

*How good and pleasant it is when  
God's people live together in unity.*  
Psalm 133:1

### Star of the Week

This week we celebrate  
**Sebastian!**

Sebastian has settled so well into Nursery and school life and always has a smile on his face, he is such a kind friend.  
Well done Sebastian!

### Important

We are holding a Jubilee Garden Party on **Friday 27th May at 2pm** and you are all invited to join us!  
More details to follow!
