

# 'The Future we Create Everyday'

## St Michael's Weekly Newsletter

Friday 20th May 2022

ST MICHAEL'S  
CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

For home learning this week to continue our learning about life-cycles we would like you to go on a 'back garden safari'.

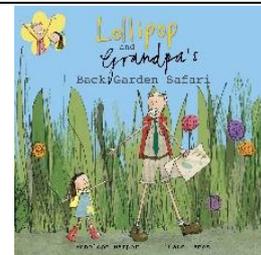

Can you be like Grandpa and Lollipop, from our story, and hunt for tiny creatures in the outdoors?

I wonder what you will spot?

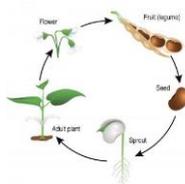

Dear Parents & Carers

Another brilliantly, busy week at St Michaels! This week we shared the story 'Lollipop and Grandpa's Back Garden Safari' by Penelope Harper. Back gardens have never been this exciting! Lollipop and Grandpa are intrepid explorers, always on the lookout for the next adventure! In this book they set out on an exciting expedition in the back garden where they encounter Chimpan-trees, a hippo-potta-compost and even a Croco-logus!

LIFE CYCLE OF A BEAN PLANT

This week we have continued our learning about plants and flowers by investigating life cycles. We learnt that a life cycle is the process of growth that all living things go through. We looked in detail at the life cycle of a bean and a butterfly.

In RE we have continued to think about special stories. This week we talked about stories that teach us something – stories with a moral. We shared some different stories and thought about the lesson they were trying to teach us.

Finally, don't forget we are hosting a **Jubilee Garden Party** next **Friday at 2pm** in the **Language School garden**. The children have been busy making crowns and bunting and we will have refreshments and a song from the children. Please could you bring a picnic blanket. We look forward to welcoming you all.

Have a wonderful weekend.  
Mrs Edwards and Miss Grant

### Our Vision & Values

We are excited to welcome Eva and Dominique to our Reception Class and into our school **community**. Our children have shown our value of **love** by looking after them and making them feel welcome. Welcome to their families too – we look forward to you being part of our school family too.

Star of the  
Week

Important

This week we celebrate  
**Tobias**

Tobias has become so much more confident in Nursery and it is wonderful to see him coming into school with a smile on his face. Tobias has lots of knowledge that he shares with the class, and we love hearing about his nature walks.

Don't forget that the last day of this half term is next Friday 27<sup>th</sup> and we have a **2 week half term** returning to school on **Monday 13<sup>th</sup> June**.

Flourishing Futures
