

'The Future we Create Everyday'

St Michael's Weekly Newsletter

Friday 24th June 2022

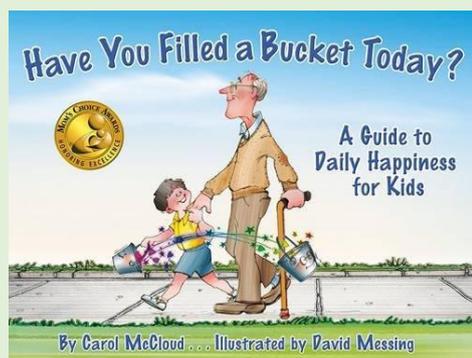

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

For home learning this week, we would like you to think about acts of kindness.

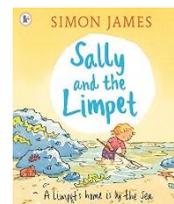

Can you be a bucket filler and make someone feel special this weekend?

We would love to see some of your acts of kindness on Tapestry!

Dear Parents & Carers

This week we have shared the story of 'Sally and the Limpet' – one of our Favourite Five stories. When Sally pries a limpet off a rock at the ocean's edge, it sticks to her finger and no one can get it loose. In frustration, Sally tries many different ways to remove the limpet from her finger until finally she does the only sensible thing and brings the limpet back to the beach where it feels at home.

This week we have thought more about where we live, focusing on Paignton. We found Paignton on Google maps and looked at the key features of our coastal town. We found our school, Victoria Park and the pier. We looked at where Paignton is on the edge of the land or by the coast and thought about how lucky we were to live by the sea!

In RHE we talked about our families and how all families are unique and special. We thought about how we can help each other within our school family and our families at home. We revisited the story 'Being a Bucket Filler' and thought about how we can fill up others buckets with acts of kindness.

Have a wonderful weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

This week we have celebrated our value of **community** by thinking about our families and how we can take care of them. We also thought how this is true in our school family and how we can all support and care for each other.

'We're better together than we are alone'
Romans 12.4-5

Star of the
Week

Important

This week we celebrate
Elsie

We are all so proud of Elsie who continues to be a shining example of our school values each and every day!

Please feel free to ask any questions about key dates/events happening in the next few weeks. There are so many exciting things happening!

Flourishing Futures
