ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

For home learning this week we would like you to create a pattern.

You can use anything you like, paint collage, toys and either bring it into school or upload a picture onto Tapestry.

Can you challenge yourself?

Dear Parents & Carers

On Monday we went on our trip to Dartmouth on the steam train. The children (and adults) had the most wonderful time spotting coastal features and seeing the town from the ferry. We were so proud of the children and how they exemplified our school values when outside of school. We had so many compliments from members of the public about how wonderful they were.

"I would like to say how the behaviour and manners of your children were fantastic".

"They are a credit to your school and to their parents".

We have continued learning about special places in RE this week by thinking about all the places that are special within our local community. We looked at places such as parks, libraries and hospitals that are all important and special for different reasons. The children enjoyed sharing their personal experiences of these places and how they make them feel.

Finally, a reminder that we are off to Forest School on Monday and will be off site for most of the day. Please send the children in wearing old clothing. The weather forecast is **very warm** so please ensure the children have a suitable hat and sun cream applied before they come to school.

Enjoy the wonderful sunny weekend!

Mrs Edwards and Miss Grant

Our Vision & Values

Once again our children have shown our values of love and community to come together as a school family on wonderful days out together. These amazing experiences makes us appreciate what a special place our school is

'live in harmony with one another'
Romans 12:16

Star of the
Week

This week we celebrate

Rosalie

Rosalie is a wonderfully kind and caring friend who has quickly become part of our school family. We are so proud of how brilliantly she has settled into life at school.

Important

As the weather is getting so much warmer, please ensure the children have suncream applied each day before school and a bottle of water/sunhat each day.

Thank you

Flourishing Futures
