ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

For home learning this week we would like you to challenge yourself and sign up for the 'Gadgeteers' summer reading challenge!

Dear Parents & Carers

What a wonderful week we have had!

On Monday we visited our partner school, Dartington Primary and joined Mrs Wallace at Bear Camp. We had a wonderful day learning how to light campfires, make mud paint and hunting for bugs. The children (and adults) had a wonderful time. We are looking forward to returning soon!

This week we have continued to think about special places in our community by learning more about places of worship. We met Imran who took us on a tour of his special place of worship and we looked at the similarities and differences between Mosques and Churches.

This week the children will have brought home with them a bookmark, pencil and information about the 'Gadgeteers' summer reading challenge at Paignton library. Gadgeteers will feature amazing books, awesome rewards, and plenty of ideas for cool experiments and activities to discover the science all around you. Top children's writer and illustrator Julian Beresford will bring the Challenge to life. More information can be found by searching Gadgeteers or by following the link below:

<https://summerreadingchallenge.org.uk/news/general/gadgeteers-intro>

We cannot wait to hear all about how you get on!

Have a wonderful weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

As we end our first year as a new school we are grateful for our Christian values of love and community to enable us to become a school family.

"Love is more important than anything else. It's what ties everything together" Colossians 3: 14

Star of the
Week

This week we celebrate

Everyone!

We are so proud of all of our amazing children and their wonderful start to their school journey.

Important

You can now order your dinners for September via the My Child at School app. A link and registration details has been sent to you so you can download the app. If you need any help or have lost the log in please call the office on 01803 500971 and we can help you with this.

Flourishing Futures
