

'The Future we Create Everyday'

Oyster Cove Newsletter

Friday 22nd September 2023

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Play Numbots three times a week to build speed in recognising number.

Reading

Please read at least 4 times a week and record what you have read in your reading record.

Please continue to share your books. Repetition builds fluency which helps learn new words.

Reading Journals

Friday. Reading books will be issued for home reading.

PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

What a jam packed week we have had in Oyster Cove this week! It is still taking some getting used to, calling them all Year 2's! It's amazing how grown up they've become.

In Maths, we have continued our learning in place value and the children have been so impressive with their understanding of tens and ones.

In geography, we explored more of our local area, thinking about human features in our local area.

As scientists, we have explored biomes this week. The children have explored how certain animals are suited to particular habitats and how the habitat provides everything that they need to survive.

On Friday, we had the enormous pleasure of welcoming our athlete Will in. He shared his experiences as a cyclist and how he came to deal with being disabled yet maintaining that devotion and dedication to his endeavours.

Have a great weekend and see you on Monday.
Mr Sherlock

Our Vision & Values

This week in Collective Worship we thought about the value of Generosity. We thought about how we can be generous with our time and be kind and compassionate to others.

And do not forget to do good and to share with others
Hebrews 13:16

Star of the
Week

This week we celebrate:

Amelia

For being an outstanding member of our school family in every aspect!

Target attendance 98%

This week's attendance is 85.1%
Thank you for your continued support in reaching our target!

Flourishing Futures
