HOME LEARNING

Each week we will continue to set an activity to share at home. These activities are designed to support the learning we are doing in school.

For this week I would like the children to enjoy the sunshine and explore their local environment so we can talk about it in class.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Dear Families,

We have had a lovely first week in Shell Cove. The children have settled in really well.

We have painted our self-portraits and have done lots of building, drawing and creating in our new classroom.

I am so impressed with how they are coming into school and how sensible they are when walking up and down the stairs into and out of class. Well done Shell Cove!

We will be having a meet the teacher event after school on Thursday 14th September at 2.50pm so you can meet me and come and see our new classroom.

We will be having PE on Monday afternoons so please ensure your child comes into school in their PE kit.

Many thanks,

Mrs Attwood

Our Vision & Values

Hope

As it is the start of the new term we have been re-establishing old friendships and making new ones.
