CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

Thank you to those who have shared their baby photos. We have begun to share these with our friends in class.

You have another week, if you haven't already, to share a family/baby photo on Tapestry please.

Thank you

Dear parents and carers

Autumn has officially arrived with the abundance of rain this week!

This week we have learnt the sounds t, l and n. The children have begun using the RWInc rhymes to practice writing the letters using the rhymes to help us to form them correctly. We have had lots of fun writing our letters everywhere-even in the sand!

Fred the Frog has continued to challenge our blending skills by playing eye-spy games. Fred is so cheeky, he says the words in sounds and we have to blend them back together!

The children were amazing during our special sporty Friday with Will. He told us all about his very inspiring journey after set backs to becoming the medal champion he is. It was clear to see the children were inspired by his passion and we enjoyed our fitness skills on the circuit with him too!

Have a wonderful weekend,

Mrs Edwards and Miss Grant

### Our Vision & Values Hope

This week in Collective Worship we thought about the value of Generosity. We thought about how we can be generous with our time and be kind and compassionate to others.

*And do not forget to do good and to share with others*  
Hebrews 13:16

### Star of the Week

This week we celebrate:

#### Sebastian

Sebastian has returned to school enthusiastic and ready for learning. He has blown us all away this week with his mature attitude and kindness to friends!

This week's attendance is 100 %

Well done everyone! Thank you for supporting us in reaching our target!
