HOME LEARNING

Please draw a map of your route from home to school and share on Tapestry.

I have added on some RWI videos on Tapestry linked to the sounds we have been learning over the last couple of weeks.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers

We are settling into our new school well and getting used to our new routines.

This week in Geography we have been learning about what an aerial view is. We worked with a partner to create a simple map of our classroom.

In art we have done colour mixing. We used primary colours to make secondary colours. We also did a still life drawing of some flowers in a vase. We looked carefully at the different flowers, shapes and colours.

We have had some new construction equipment and have really enjoyed using our imaginations to build lots of different models.

This week our Talk Through Stories book is After the Fall. We really enjoyed this story, especially when he overcomes his fears and learns how to fly!

Many thanks,

Mrs Attwood

Vision & Values

This week in Collective Worship we thought about the value of Generosity. We thought about how we can be generous with our time and be kind and compassionate to others.

And do not forget to do good and to share with others
Hebrews 13:16

Star of the Week

This week we celebrate:

Reece

Asking thoughtful questions about what we are learning.

Target attendance 98%

This week's attendance is 94.1 %
We are so close to reaching our target, thank you for your continued support!
