# 'The Future we Create Everyday'

# Oyster Cove Newsletter

## HOME LEARNING

Log in to Times Table Rockstars and play Numbots as well.

#### Reading

Please read at least 4 times a week and record what you have read in your reading record. Please log in to Oxford Owl, read the book and take the quiz.

## **Reading Journals**

Friday. Reading books will be issued for home reading.

ΡE

Monday. Please come to school in your PE kit Dear Parents and carers.

We have had a very busy week this week in Oyster Cove. The children have continued to show their amazing thirst for learning and appetite for knowledge.

We had the pleasure of welcoming back Lisa from Razzamataz. The children were so excited to see her and couldn't believe she had made it to our new school as well!

In geography, we continued looking at our local area and explored the difference between villages, towns and cities as we found out whether Paignton was a rural or urban area.

In Maths, we have moved on to addition and subtraction. The children are using their place value knowledge to problem solve adding parts to make a whole or subtracting parts from the whole number.

As scientists, we have continued to explore biomes and how animals have adapted to live in certain parts of the world and their understanding is fantastic to see.

Have a great weekend and see you on Monday.

Mr Sherlock

#### Our Vision & Values

This week we have continued our theme of exploring the value of generosity. We are thankful for the generosity of our families in raising sponsorship.

And do not forget to do good and to share with others Hebrews 13:16
