

'The Future we Create Everyday'

Shell Cove Newsletter

29th September 2023

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Please take a photograph outside your house and add to tapestry. This will add to our learning about the local area.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

This week we have been enjoying different owl stories. We decided to paint owls and add to our autumn tree display in our reading corner.

In RE we are continuing to think about belonging. We talked about being valuable as individuals. We shared the story of 'The Lost Coin' and talked about how we are valued by people around us. We talked about and made links to our school values.

I was super proud of Shell Cove when we went to beach school. We had a great time and were all shining examples of how we behave at St Michael's. We were lucky with the weather and although it was a bit windy the sun shone! We searched on the beach for things that have been alive or not alive and sorted into groups. We were given some different coloured crab images and had to find them. One was really tricky as it was hidden inside a bucket!

We then found out about what rubbish left on the beach does to sea creatures. We had to build a safe sand home for our pebble seals. We created some incredible seal homes!

Our Talk Through stories book this week was Supertato. We found it very funny!

Many thanks,

Mrs Attwood

Our Vision & Values Hope

This week we have continued our theme of exploring the value of generosity. We are thankful for the generosity of our families in raising sponsorship.

And do not forget to do good and to share with others
Hebrews 13:16

Star of the Week

This week we celebrate:

Millie

Millie is always ready to listen, showing quality sitting at all times.

This week's attendance is 97.6%

So close! Thank you for your continued support in helping us reach our target

Flourishing Futures
