HOME LEARNING

Keep reading at home. There are plenty of books on Oxford Owl library. Can children log into and play Numbots for ten minutes a day.

Reading

Please read at least 4 times a week and record what you have read in your reading record.

Please continue to share your books. Repetition builds fluency

Monday

Dear Parents and carers.

What an amazing first week we have had! The children have had a fantastic time settling in to their new school. We have really enjoyed having a space all of our own as well having the opportunity to come together for break and lunch, and worship, singing and celebrations at the end of the day.

Next week will see us start the week with PE, so can the children all come in their PE kits on Monday morning please. We are very excited to start our new partnership with Saints South West, who will be leading our PE sessions with the children this year.

On Tuesday next week at 2.50pm, I will be holding a, 'meet the teacher.' I know I am not new to any of you but it will be a great opportunity for you to come in and see the space the children have and I can talk through Year 2 with you.

It has been really wonderful to see the children's faces this week and experience their awe and wonder about their new learning environment. I can't wait to share a year of learning with them.

Have a great weekend and see you on Monday.
Mr Sherlock

Our Vision & Values

Hope

As it is the start of the new term we have been re-establishing old friendships and making new ones.
