Log in to Times Table Rockstars and play Numbots as well.

Reading

Please read at least 4 times a week and record what you have read in your reading record.

Please log in to Oxford Owl, read the book and take the quiz.

Reading Journals

Friday. Reading books will be issued for home reading.

PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

A lovely penultimate week of term in Oyster Cove. The children have shown their scientific side, their creative side, their compassionate side as well as their humorous side.

We have been really enjoying reading, 'The Last Bear.' We have been touched by the compassion shown by the characters in the book as well as being shocked by the impact of we have had on the world around us.

As artists, this week, we have explored the works of Yvonne Coomber and learnt how to do a colour wash as a background for us to add to in the future to complete our final pieces.

As mathematicians, we have discovered the column method of addition and subtraction for the first and shown how we can add and take away single digit from 2-digit numbers without regrouping.

As scientists, we went on a bug hunt and analysed our results as we presented them in the form of pictographs, allowing us to ask questions about our findings.

One more week to go. I look forward to seeing you at parents evening next week!

Mr Sherlock

Our Vision & Values

We have continued to think about the value of generosity and being generous with our time, with our things and also with our words.

And do not forget to do good and to share with others.

Hebrews 13:16

Star of the
Week

Target attendance 98%

This week we celebrate:

Dominique

For applying herself 100% of the time in everything she does

This week's attendance is 94.2

Thank you for your continuing support in reaching our target

Flourishing Futures
