ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

This week in Geography we have been looking at maps and symbols. Can you spot any road signs and symbols when you are out and about in the local area? Can you tell a grown up what different symbols/road signs mean?

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

We have all been artists this week. We have been finding out about Yvonne Coomber, a local artist living in Totnes. We found out about what inspires Yvonne and about some of the different techniques she uses when creating her floral pieces. We have practised these different techniques over the last few weeks and then used these techniques to create our final piece of art. I will put a gallery of the finished pieces on Tapestry.

The weather held up for our final beach school session. We had lots of fun again in the sunshine. We learnt about beach safety and did well at spotting different hazards/safety concerns at the beach. We built two lifeboats that were big enough to sit in! The children, as always were incredible and showed the other visitors at the beach what amazing children we have at St Michael's. Well done Shell Cove!

Many thanks and have a lovely weekend,
Mrs Attwood

Our Vision & Values

We have continued to think about the value of generosity and being generous with our time, with our things and also with our words.

And do not forget to do good and to share with others.
Hebrews 13:16

Star of the
Week

Target attendance 98%

This week we celebrate:

Mikey

For being creative when model building

This week's attendance is 98.2%

Thank you for your continuing support in reaching our target

Flourishing Futures
