### Reading

Please read at least 4 times a week and record what you have read in your reading record.

Please log in to Oxford Owl, read the book and take the quiz.

### Reading Journals

Friday. Reading books will be issued for home reading.

### PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

What a wonderful final week of the half term. We have spent the week putting our finishing touches to our learning and are ready for a break to rest, relax and recharge.

I would like to say a big thank you to everyone that managed to make it to parents evening. It was a pleasure to be able to talk to you about your children's learning and how they have settled into Year 2 and our new school setting.

This week, we continued to build our understanding of the column method of addition and subtraction and have been adding and taking away tens as well as ones. We were joined by Lisa from Razzamataz this week and we have started to think about preparing for a very special production at the church towards the end of next term! In art, we finished our Yvonne Coomber inspired landscape paintings.

If there was anything we didn't cover at parents evening, don't hesitate to have another meeting with me or ask for a phone call.

Have a great week off and see you on the 30<sup>th</sup> October!

Mr Sherlock

### Our Vision & Values

In our stories this week we thought about the love of our family and friends. We thought about how lucky we are to have both a family at home and a family at school with teachers and friends that welcome us, smile, laugh and learn together.

*Colossians 3:14 Love is more important than anything else. It's what ties everything together.*

Star of the Week

This week we celebrate:

**Yeva**

An incredible week and always showing resilience and perseverance.

Target attendance 98%

This week's attendance is 95.2%

Thank you for your continued support in reaching our target

Flourishing Futures
