HOME LEARNING

For home learning this week we would like you find a moment this half term to share a good book with your family.

As the weather is getting colder and wetter, it is the perfect opportunity to grab a blanket and share a story together.

We would love to see pictures of you getting cozy.

Dear Parents & Carers

The end of the first half term of the year! What a brilliantly busy term it has been. We are so proud of the children and how wonderfully they have made their transitions – whether a transition into nursery, moving into nursery 2 or into reception – they have all done so wonderfully.

Our story this week has been a brilliantly funny story of the seasons. The Leaf Thief written by Alice Hemming and illustrated by Nicola Slater. Squirrel is so cross! Yesterday there were loads of beautiful leaves on his tree, but today? Today some are missing and Squirrel is convinced that someone has stolen them... there's a leaf thief on the loose!

This week we have enjoyed learning about the signs of Autumn. We looked at some Autumn leaves and thought about their different colours and textures. The children explored colour mixing with Autumn colours and using different media to create leaf rubbings.

It was lovely to see reception parents at parents evenings this week – thank you all for supporting us and the children so wonderfully.

Finally, we would like to thank you all for your continued support.

We wish you the very best half term with your families and look forward to seeing you all again on Monday 30th of October.

Our Vision & Values

In our stories this week we thought about the love of our family and friends. We thought about how lucky we are to have both a family at home and a family at school with teachers and friends that welcome us, smile, laugh and learn together.

Colossians 3:14 Love is more important than anything else. It's what ties everything together.
