

'The Future we Create Everyday'

Oyster Cove Newsletter

Friday 10th November 2023

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Log in to Times Table Rockstars and play Numbots as well.

Reading

Please read at least 4 times a week and record what you have read in your reading record.

Please log in to Oxford Owl, read the book and take the quiz.

Reading Journals

Friday. Reading books will be issued for home reading.

PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

Thank you to all of those that managed to bring in a contribution to our Design and Technology learning this week. The children have been amazing at having them as part of our learning and display and not wanting to play with them. They had a fantastic time exploring how the wheels and axles came in different shapes and sizes and how that effected how the toys worked.

In maths, we have continued to build our understanding of place value and use this to both add and subtract with regrouping using the column method.

As historians, we used timelines to make a chronology of the things we learnt in Year 1 and in Year 2 to see where these things fit on a timeline.

We went on a materials hunt for science this week around the school. We considered what things were made from and why, whilst thinking about the properties of the chosen materials.

Have a great weekend and I look forward to seeing you all on Monday in your odd socks and uniform for school photos!

Mr Sherlock

Anti-Bullying Week 2023 is coordinated in England, Wales and Northern Ireland by the Anti-Bullying Alliance. This year it has the theme 'Make A Noise About Bullying' and will take place from Monday 13th to Friday 17th November. The week will be kicked off with Odd Socks Day on Monday 13th November, where adults and children wear odd socks to celebrate what makes us all unique.

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision;
'The Future we Create Every day'.

Star of the Week

This week we celebrate:

George

An outstanding mathematician this week!

Target attendance 98%

This week's attendance is 95.8%

Thank you for your continued support in achieving our target of 98%

Flourishing Futures
