Dear Parents and carers.

What a creative week we have had in Oyster Cove this week. Thank you to everyone that managed to provide a few bits for the car making in DT this week and the Christmas decorations have been coming in thick and fast. We will start decorating the tree from Monday!

On Wednesday, we had the pleasure of welcoming in some of our governors. They couldn't speak highly enough of our children, their thirst for learning and rich conversations they were able to have about their learning. They are a credit to our St Michael's community and everything we hope to achieve for their futures.

On Thursday, we put together the chassis and body of our vehicles. The children did an amazing job and were so articulate when it came to explaining what they were doing and how. I can't wait for next week to see them all on the move!

We have a busy few weeks ahead, so don't forget to check the Christmas flipbook for any important dates or events.

Any questions, then please don't hesitate to ask.
