HOME LEARNING

This week we have been learning about 2D shapes. Please see if you can create a picture out of 2D shapes.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

This week we finished our moving Christmas cards. All the children have really worked hard on these cards and feel very proud of what they have created. We thought about what two things we really liked about our cards and one thing we would change if we made them again.

In history we carried on our learning about toys. We looked at different toys, old and new. We talked about what materials toys in the past were made from compared to toys today. We worked in groups to sort toys into old and new.

We have enjoyed watching Digiduck stories to help us to keep safe online.

In maths we have been learning about 2D and 3D shapes. We have explored using shapes to make different Christmas pictures.

This week we have loved sharing different traditional tales. We have enjoyed listening to different versions of the stories.

Have a lovely weekend.

Mrs Attwood

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

As we celebrate the start of Advent: "Lord, let us see your kindness, and grant us your salvation." PSALM 85

Star of the Week

Target attendance 98%

This week we celebrate:

Theo

Working hard in all areas and having pride in is learning.

This week's attendance is 97.6%

Thank you for your continued support in achieving our target of 98%

Flourishing Futures
