ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Over the Christmas holiday please work on fastening up your coat independently.

Soft bear will be having a well-deserved rest over Christmas, ready for his visits to different homes in the new year.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

This week we have continued to enjoy lots of different Christmas related challenges. We have worked hard on our cutting skills and have made a tree decoration.

This week in maths we have started to learn about teen numbers. We have been counting, recognising and writing all numbers up to 20. We have realised that all teen numbers have one ten and a different number of ones.

We have made some amazing models using different construction materials. We really enjoyed making crowns for our delicious Christmas dinner and enjoyed wearing them at the dinner and at our party.

In our Collective Worship this week we had a visit from Reverend Gareth and Mollie from Bay Church. We all impressed them with our knowledge of the Christmas story.

We have continued enjoying listening to lots of different Christmas and winter themed stories. These are our favourite stories from the ones we have shared.

We are missing some reading books (PINK). Please check at home and send them back in January.

Have a lovely Christmas holiday. I look forward to seeing you all next term.

Merry Christmas and Happy New Year!

Mrs Attwood

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

As we break up for our Christmas holiday.

The heavens proclaim his righteousness, and all peoples see his glory. (Psalm 97:6)

Star of the Week

Target attendance 98%

This week's attendance is 98.8%

This week we celebrate:

**The children of St Michaels
C of E Academy**

Who continue to be the shining light of our school.

Have a lovely Christmas and New Year and we will see you all on Tuesday 2nd January 2024!

Flourishing Futures
