#### HOME LEARNING

##### If your child is in reception:

Please use the memos section of Tapestry to find updated word reading videos for your child.

##### If your child is in nursery:

In school, we have been enjoying learning and singing nursery rhymes. The children have been particularly enjoying the rhyme 5 Little Monkeys.

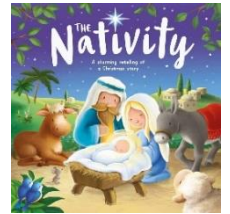

This week can you take the time to share this rhyme with your child.

Five little monkeys jumping on the bed.  
One fell off and bumped his head.  
Mama called the doctor and the doctor said,  
"No more monkeys jumping on the bed!"

Four little monkeys jumping on the bed.....

Dear Parents & Carers

Phew! What an amazingly, brilliant, festive week we have had in school. We are just so proud of all our children for being so brave and sharing their singing with you all at the Church. There were some nerves (from the grownups too) but they truly shone like the stars they are.

We are finishing the term with the greatest story ever told. The children have enjoyed listening to The Nativity story and retelling it using puppets and pictures.

In maths this week, we have continued to use 5 frames to help us to recognise a quantity but this time there were different gaps!

In RE this week, we thought about the different ways people celebrate at Christmastime and why we celebrate. We enjoyed painting our hands to create a festive surprise for you all!

Finally, we would like to say a big thank you to the PTA for the huge effort they put into our wonderful Christmas Fayre. The enormous commitment, time and enthusiasm of the wonderful volunteers ensured that each child had a little bit of Christmas magic – and something a little sweet too!

Have a wonderful weekend.
