HOME LEARNING

Please take time this Christmas to pause and enjoy time with family and friends.

Give the gift of reading this Christmas!

Dear Parents & Carers

I cannot believe the first term is already over! The children have settled in so beautifully in our new setting and welcomed new members to our school community with open arms. We are all so proud of them and their growing sense of community.

This term we have enjoyed the opportunities our new outside space has given us – in January, we will begin to use our forest school area at different times in the week. Can you please send in a pair of named wellies and waterproofs for your child to keep in school please. They will need these to be able to use the forest school area.

Finally, we would like to say a massive thank you once again to you all for supporting our little school so wonderfully. We are so proud of our growing St Michaels school community.

We will see you all in 2024!
