### HOME LEARNING

We are revisiting our local area. Please draw some features of the local area.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

What a busy week!

We have continued our art this week by adding colour to our portraits. We used water colour paints and mixed to make the colours we needed. We really enjoyed adding the features of our friend using smaller brushes to get the detail correct. I will make a gallery of the portraits and put on Tapestry.

In RE we continued learning about Judaism. We have dug deeper into Shabbat and created a Shabbat box to help people celebrate it. We really thought about what the meanings and traditions of Shabbat are.

In computing we carried on our work on algorithms. We had lots of fun giving our partner instructions to make a Mr Potato head (photos on Tapestry).

Over the next week we will be learning a poem, 'Brother' to recite. It is a bit of a tongue twister! Watch this space as we will add onto Tapestry when done.

Have a lovely weekend,

Mrs Attwood
