HOME LEARNING

Reception and Nursery children:

Thank you for your engagement with the pattern home learning. It is lovely for the children to be able to share their patterns with their friends.

This week to support our learning in school we would like the children to get creative and draw, paint, collage a picture of their family.

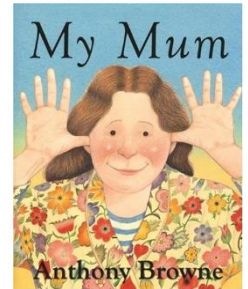

Their picture can include the people who live in their home with them or any further extended family if they wish. We want them to think about just how many people they have in their lives that are there to love and help them.

Reception children will bring home another ditty reading sheet and book to share with you at home this week. The more times they can read these with you the better – we recommend at least three times in the week to develop fluency.

Dear Parents & Carers

This half term we will be thinking about people who help us. Our book this week has been 'My Mum' by Anthony Brown. In this simple but funny book we learn all about the super powers of Mums! There was lots of laughter as we shared all the wonderful things our own Mums are brilliant at.

This week we have been thinking about the people who help us when we are at school. We talked about the different roles of the adults in school including the people who keep our school running like Mrs Burton and Chloe who keeps our school clean.

In maths this week we have continued to learn about patterns. The children were challenged to continue a repeating pattern and used paint and stamps to make their own.

A reminder that we will be starting to use our forest school area at different points of the week. The children need to have a named pair of wellies and waterproof trousers in school to be able to participate.

Have a wonderful weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

How Pleasant It Is When God's People Live Together In Unity Psalm 133:1-3

Star of the Week

This week we celebrate

Rose

For joining in new games with her friends so beautifully.

Target attendance 98%

This week our attendance is 95.6% Thank you for your continued support in reaching our target
