### HOME LEARNING

Can you draw a portrait of someone in your family?

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

Wow, we are into February already!

We have been doing lots of Geography this week. We have been finding out about what a landmark is. We talked about what different features/landmarks we have in Paignton. We decided that Splashdown is a landmark of Paignton that is unique to Paignton. We recapped our learning about capital cities and found out all about the different landmarks that make our capital city a special place to live in and visit.

In science we continued our learning about materials, carrying on our discussions and descriptions of the different materials we have in our classroom.

In PE we are doing gymnastics. We are enjoying learning lots of different rolls and how to land safely when jumping.

Our talk for stories book this week is 'A Little Bit Brave' by Nicola Kinnear. We really enjoyed seeing all the different adventures the bunny goes on. We talked about how we all need to be a little brave to try new things.

Have a lovely weekend,

Mrs Attwood

### Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

To celebrate the children's amazing singing.

Sing to the LORD a new song; sing to the LORD, all the earth. Psalm 96:1
