### HOME LEARNING

Can you do an observational drawing of some fruit or flowers at home?

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Please can you check the jumpers at home, we think some have been muddled and may have gone home with the wrong child

Dear Parents and carers,

What a busy week!

This week we have started our new learning in the subjects we are covering this half term.

In history we are learning about the Royal Family. We found out what a monarch is and what a monarch does. We drew a picture of who we thought was the head of our families.

In science this week we started learning about plants. We used our observational skills to explore what different fruits and vegetables look like on the outside and on the inside.

We have enjoyed using oil pastels to draw sunflowers in the style of Van Gogh for a display to go in the hall.

We enjoyed the start to our DT today when we did some smoothie tasting. We used our senses to see which smoothie we liked the look of the most, which one we liked the smell of the most and which one we liked the taste of the most. Most of us liked the banana and strawberry one the best.

Once we have designed our smoothies, I will send a letter out in the next couple of weeks with your child's design and a list of ingredients to bring and on what day.

It was lovely to see everyone during the parents' meetings this week. A pleasure to share how amazing all the children are, how well they are doing and how hard they are all working!

.Have a lovely, weekend.

Mrs Attwood

### Our Vision & Values

*Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.*

After our parents' evenings this week:

With an open heart let me freely say how very proud I am of you and how often I boast about you. In fact, when I think of you my heart is greatly encouraged and overwhelmed with joy. 2 Corinthians 7:4

### Star of the Week

Target attendance 98%

This week we celebrate:  
Ruzgar  
For settling in well into our new class.

This week's attendance is 97.4%  
Thank you for your continued support in reaching our target

Flourishing Futures
