HOME LEARNING

Reception children:

Reception children will bring home a book to share with you at home. These will be changed, with their library book, on a Friday. Please take the time to share this with your child - the more times they can read these with you the better – we recommend at least three times in the week to develop fluency.

Nursery children:

Can you go on a sound treasure hunt?

Set your little one a challenge to find items from around the house beginning with the same letter sound.

How many items can you find that begin with.....?

Dear Parents & Carers

Our story this week has been 'Open Wide and Step Inside' By Robert Witton and Wendy Smith. This colourful book tells the story of Geoffrey the Giant and his reluctance to visit Daisy the Dentist. With the support and encouragement of his friends on his journey to visit Daisy, Geoffrey learns the importance of looking after his teeth.

This week we have been learning about the people who help us to stay healthy. The children enjoyed watching Daisy visit the dentist for the first time and thought about the importance of brushing our teeth. In class, we have enjoyed using toothbrushes to clean some laminated teeth.

In class, we have been enjoying being doctors and nurses, diagnosing problems and using bandages and medical instruments to make the dolls and our friends feel better.

Have a lovely weekend.
