ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Please go on a nature walk and see what different plants, trees and flowers you can see.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

What a busy week!

In dance this week the children showed me the dance they have been learning over the last three weeks. Wow! Amazing! I have added the video on Tapestry so you can all see how committed they are!

In science this week we continued our learning on plants. We talked about what plants need to grow. We drew and labelled a sunflower. Our beans are starting to grow shoots!

In DT this week we talked about all the different fruits we like. We chose the fruits we wanted in our smoothies and created our designs by predicting what colour we thought our smoothies would end up being. The children are all very excited about making their smoothies! I will send the designs home next week, with a date for when to bring the ingredients in.

In history we found out about King Charles, and sequenced important events in his life so far. We found out he loves art and is really good at painting. He can also play 3 instruments!

Have a lovely, weekend.

Mrs Attwood

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

We are beginning to see signs of Spring:

The grass withers, the flower fades, but the word of our God will stand forever. Isaiah 40:8

Star of the Week

Target attendance 98%

This week we celebrate:

Toby

For being a good friend.

This week's attendance is 84.7%

Thank you for your continued support in reaching our target

Flourishing Futures
