

'The Future we Create Everyday'

Oyster Cove Newsletter

Friday 1st March 2024

ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

This week, the children have come home with instructions on making a rain collector. It would be amazing for you to make these with them and see how much rain can be collected over the half term to continue our geography learning on UK weather. Especially as we leave winter and approach spring

Maths

Log in to Times Table Rockstars and play Numbots too.

Reading

Please read at least 4 times a week. Repetition builds recognition of unfamiliar words to make them easier to recall and read at speed. Please log in to Oxford Owl, read the book and take the quiz.

PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

We have had a lovely week in Oyster Cove this week. The children had the opportunity to impress a visitor from the diocese this week with their extensive RE knowledge of Holy Week and the Easter story.

The children have been all over the school this week with their rulers and metre sticks as we explored measure in maths. They had lots of fun finding out how long different parts of the school were and then comparing them.

As scientists, we continued thinking about the eat well plate (sorry if anyone refused to eat cereal anymore) and thought about how we could create a balanced meal plan for a day containing the right amounts of each food group.

As historians, we deepened our understanding of the Great Fire of London and time lined some of the key events, using the diary of Samuel Pepys.

Have a lovely weekend everyone.

Mr Sherlock

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

'Do the little things' a quote for St David's Day.

Star of the Week

This week we celebrate:

Brendon

For creating imaginative sentences in English retelling Little Red Reading Hood.

Target attendance 98%

This week's attendance is 86.8%

Thank you for your continued support in achieving our target

Flourishing Futures
