### HOME LEARNING

As it is St David's Day today, please create a daffodil in whatever way you choose.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

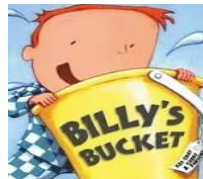

Dear Parents and carers,

What a busy week!

In science this week we continued our learning on plants. We found out about how beans grow and planted beans in a clear pot so we can see how they grow. We will record our observations over the next few weeks.

In DT this week we carried on our research on smoothies. We talked about what makes us healthy and sorted foods into healthy and unhealthy in readiness to design our smoothies next week.

In RE we continued our learning about how Jewish people live. We found about the festival of Sukkot. We found out that Jewish people build Sukkah huts in their gardens, eat in them and sometimes even sleep in them! We made our own mini-Sukkah huts.

Our Talk for stories book this week is Billy's Bucket. We found it very funny when the whale squashed the dad's car at the end!

Have a lovely, weekend.

Mrs Attwood
