### HOME LEARNING

Play TTRS and Numbots

#### Reading

Please read at least 4 times a week.  
Repetition builds recognition of unfamiliar words to make them easier to recall and read at speed.  
Please log in to Oxford Owl, read the book and take the quiz.

#### PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

What a colourful end to the week we've had in Oyster Cove. The children thoroughly enjoyed coming in in their mismatched clothes and some of their jokes were genuinely funny, thanks for that!

We have been enjoying Science Week this week in Oyster Cove. The children have been exploring the concept of time. We have learnt all about recording time, observing how long things take and when people first started recording the passing of time.

As historians this week, the children have been using their creativity and knowledge of the Great Fire Of London to write a diary, as if they were there themselves. I have been amazed by their factual knowledge and creative writing.

As designers, we have been putting our finishing touches to our London landmarks. The children will come home on Monday with their plans, please can you help them gather the things they need to make these in the last week of term. Their plan should include everything they need, but it would be great to have a chat with them and think about anything they might have missed!
