

# 'The Future we Create Everyday'

## Shell Cove Newsletter

15<sup>th</sup> March 2024

ST MICHAEL'S  
CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

Please use different natural objects to make your own nature patterns.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

Another busy week! Thank you for the donations and 'mismatched' clothes and jokes for Red Nose Day!

This week has been Science Week and the focus has been on time. We have been observing what happens to different materials over time and partaking in lots of little experiments involving observations.

We have used our observational skills to see what happens when we leave a piece of fruit out in the classroom over the week. We have been looking closely to see and describe how the fruit changes over time. We used our body temperatures (our hands) to see which melted the quickest between chocolate, marshmallows and skittles. We made raisins dance and saw what happens to skittles when you put water and milk in the middle of a ring of them!

Next week we will be making our smoothies. I have sent home in the bookbags your child's design and list of ingredients. Please bring **ONLY** what your child needs to make their own smoothie. We will be learning how to chop and slice so please leave the fruits as whole as you can. Please bring your ingredients in a **named** bag on **WEDNESDAY 20<sup>th</sup> MARCH**. I will post all the photographs on Tapestry.

Have a lovely, weekend.

Mrs Attwood

### Our Vision & Values

*Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.*

We have been celebrating Science Week this week: Great are the works of the Lord, studied by all who delight in them.  
Psalm 111

### Star of the Week

Target attendance 98%

This week we celebrate:

Millie

Millie is always ready to listen and always tries hard in everything she does.

This week's attendance is 89.5%

Thank you for your continued support in reaching our target

Flourishing Futures
