Reading

PE

Monday. Please come to school in your PE kit

Dear Parents and carers.

We have loved welcoming the sun back into our lives this week and are delighted that Spring is now upon us.

I would like to start with an apology. I did not have the children's plans for their London landmark structures ready for you all on Monday of this week, but they should have all brought them home today. Please check their book bags and talk to them about their structure.

We are continuing the theme of recycling and reusing this half term in our DT and the children will need to bring in the things to make their structure by **TUESDAY 26TH MARCH**. This will give us enough time in class to complete making and evaluating our structures before we break up on Thursday 28th March for Easter.

We would like to thank the PTFA for a tremendous Easter fair. The children thoroughly enjoyed themselves and it was another amazing effort from the team!

I look forward to welcoming you all to our Easter service at Paignton Parish Church on Wednesday 27th March next week, families are welcome in at 2pm. Collection will be from Paignton Parish Church, and for those families not attending please arrange collection at 3pm from the church as there will be no after school club.

The children have been working hard in preparation for singing and readings at our service.
