### HOME LEARNING

Have a go at making a smoothie at home.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

Another busy week!

This week the children all really enjoyed making our smoothies. The children were very excited about the smoothies and came in well prepared with all the ingredients they need (thank you all very much). The children chopped and tasted the ingredients as they made their smoothies and then guessed what colour they thought they might be. Some were very surprised by the colour as it was not what they thought it was going to be!

Some children really enjoyed their smoothies and some not so much but were all able to say what they liked, didn't like and what changes if any, they would make. Great work everyone!

The children have made Easter cards this week and have enjoyed creating different Easter egg designs.

In maths we have been learning about numbers to 50. We have been counting to 50 and have begun partitioning numbers into tens and ones.

It was lovely to see everyone at the Easter Fair (and the sun was shining!). Thank you to the PTA for all their hard work, the cakes were delicious!

Next Wednesday is our Easter Service at Paignton Parish Church, families are welcome in at 2pm. Collection will be from Paignton Parish Church, and for those families not attending please arrange collection at 3pm from the church as there will be no after school club.

Have a lovely, weekend.

### Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

As it was World Water Day on Thursday:
